**May Hashem bench you with all the Brachos. May you have *טיעתא דשמיא* and hatzlacha to carry on with the precious work of this organization which supports Bnei Torah, and strengthens them, so that they can continue to learn Torah. In the zechus of this cherished Mitzvah, may you see bracha in all your endeavors and Moshiach should come.**

**Dear Organizers and Supporters of Of L'Shabbos,**

**We would like to express our thanks to you for the tremendous help that you offer us each week, for the last couple of years, with the cartons of chickens. It helps us so much and gives us the opportunity to use the chickens for many meals and in various recipes. Each month when we get the carton of chicken, we bench you, despite the fact that we don't know where this is all coming from. *אשריכם ישראל* ! May Hashem bestow upon you shefa to continue to help others.**

**With thanks and bracha,**
