

CHICKENS FOR SHABBOS

and the rest of the week.

Run under the direct auspices of Rabbi Fabian Schonfeld Shlita & Rabbi Doniel Lander Shlita

Dear Of L'Shabbos,

We express our heartfelt appreciation for the great help which you send our way each month. We are a family of nine, and in our previous state we would not purchase chickens. It is thanks to you, dedicated messengers, that I am able to cook chicken, and the children are satisfied from a healthy meal. ותהי משכרתכם שלמה מעם ה' ישלם ה' שכרכם עשרות מונים

With thanks,

Dear Choshuve Organization,

We want to thank you from the depths of our hearts for the tremendous help and chessed that you have offered us during this long period, by supplying us with chickens each month. We simply can not describe how much this helps us and saves us. It enables us to nurture our children in a house of Torah. It saves us a lot of hassle and stress.

May it be His will, that the zechus of this mitzvah should stand for the donors, organizers, and anyone connected to this organization in any way. You should see a lot of shefa, and tremendous siyatta dishmaya in everything that you do. You should see much nachas from all your descendents and you should have parnasa with ease. With wishes for a year of bracha. May you and all of Klal Yisroel be among those who give to others and do not receive from others. שלא יצטרכו עמך בית ישראל זה את זה. Thank you very much and all the best,
