To the honored Askanim who are involved with Tzedakah and Chesed with incredible devotion.
Shalom Rav and Bracha!

With great joy I acknowledge that we receive vouchers to buy chicken on a weekly basis. This helps us so much. We thank you from the depths of our hearts.

May you continue with your worthy acts and may you be zoche to hatzlacha and bracha with no end. May we soon be zoche to be saved with the final redemption with Moshiach. Amen.

Signing with bracha and many thanks,

Dear Of L'Shabbos,

We, the Cohen family from Zefas would like to thank you for the chickens that you send us each month. We are a large family, ken yirbu, and have many expenses. Our income is small and the case of chickens removes a large portion of the financial burden. The chickens are large, clean, and with a good hechsher. May it be His will that you should always be on the giving end. May Hashem bench you with shefa and bracha.

With wishes for a good year,

Cohen Family

Chickens For Shabbos now feeds over 10,000 adults & children a month.

What a Zchus it would be for all of us if you would send a check to:
